SUBJECT No. 338.

Restoration of the feeder channel to the Kodihalli tank.

Mr. Ramappa, Challakere taluk.

*Summary of discussion.*—The Kodihalli tank in the Challakere taluk is so situated that it cannot receive a supply of water unless and until the other three tanks above it are full and water discharges over the *kodis* thereof. This has seriously affected wet cultivation so much so that several survey numbers are forfeited and sold for the recovery of land revenue or relinquished by reason of the inability of the land owners to pay the assessment. The existing feeder channel may be repaired so that the tank may receive sufficient supply of water from the Garnihalla.

*Reply of Government.*—Will be referred to the Deputy Commissioner and the Public Works Department. If possible, the Public Works Department and the Deputy Commissioner will get the work done.

SUBJECT No. 339.

Establishment of a sub-treasury at Harihar.

Mr. Giridhara Rao, Harihar Sub-taluk.

*Summary of discussion.*—The town of Harihar is a place of commercial importance. The Sub-taluk may be raised to the status of a 1st class sub-taluk with a sub-treasury.

*Mr. Jade Subba Rao* requested that some additional hands might be given to the sub-taluk.

*Reply of Government.*—The question of strengthening the staff will be considered. But it is not possible to establish a treasury at the place.

SUBJECT No. 340.

*Tasdik* to the Sri Ranganathaswamy temple at Komaranahalli.

Mr. Giridhara Rao, Harihar Sub-taluk.

*Summary of discussion.*—The Sri Ranganathaswamy temple at Komarnahalli in the Harihar sub-taluk is under the management of the Muzrai Department. The annual income derived from the lands endowed to the temple is Rs. 900, while the amount sanctioned for expenditure in connection with the temple is only Rs. 500. This scale of expenditure which was fixed long ago when food stuffs were selling at a cheaper rate is insufficient now-a-days. The whole income may be permitted to be utilised for the benefit of the temple.

*Mr. Giridhara Rao* also represented that his proposal concerned only the utilization of the annual surplus income of the temple to improve the services.

*Reply of Government.*—There is no objection; the matter will be taken up for consideration.

## KOLAR DISTRICT.

*(Nos. 341—352.)*

SUBJECT No. 341.

Extension of the provisions of sections 5 to 20, Mysore Mines Regulation, 1906, to the Kolar Gold Fields Branch Railway.

Mr. H. M. A. Cooke, Kolar Gold Fields Mining Board

*Note.*—Not discussed owing to the absence of the proposer.
